

Hi everyone,

We are getting ready for the upcoming season and looking forward to providing development opportunities for our members.

First of all, **registration is now open**, so please register accordingly for your upcoming role(s) with the Brock Rugby Club. Secondly, **we have 2 courses**, conveniently being offered at the Club and finally we still have a **need for coaches** at various levels.

We would like to stress our need, and rugby's need for Match Officials (referees). This is a great opportunity for high school and university students to make some cash throughout the year, especially during the high school season (spring and fall). Currently, there is a huge demand for referees at all levels and we need additional ones at the club level to assist with our junior festivals and league games. It's a great way to give back to the game and get some fitness at the same time.

Here are the course details:

World Rugby Match Official Level 1:

May 28th, May 30th, June 4th-6:30-8:30 at club practice. (rain day June 6th)

Finish off on June 9th, 9 am - noon, at the club, shadowing the referees during the U14 Festival and working as assistant referees.

World Rugby/NCCP Community Coaching Level 1:

Sunday June 16th- 9 am – 4 pm at the club.

If you are interested in either of the courses, contact Mark or our Referee/Coaching Development Director – Greg Williams at 905-926-2125 or haleygreg@hotmail.com.
